

ISLAMABAD DIAGNOSTIC CENTER
Ease patient agony by prompt diagnosis

VALUE OF HRDN MEMBERSHIP CARD

In the current stressful environment, requirement of regular medical checkups and doctor's advice is increasing. Looking at this, HRDN wants to facilitate its members in this regard too.

Islamabad Diagnostic Center (IDC) is a well known private hospital that provides diagnostic and out-patient facilities with qualified doctors, committed management, experienced staff, clean and hygienic environment and accessible location. IDC Islamabad is now at the panel of HRDN. Human Resource Development Network keeping in view the growth of its honorable members, now offers to provide quality health services and facilitation by having access to Islamabad Diagnostic Center (IDC) on subsidized rates.

Islamabad Diagnostic Center (IDC) located at F-8 Markaz Islamabad, is providing complete imaging and laboratory services under one roof. It is capable of fulfilling requirements of increasing and demanding health sector of the capital. Committed to quality health care, this Center is equipped with state of art facilities.

Please show your active and valid HRDN Membership Card in order to avail the subsidized rates from IDC.

HRDN wishes its members to stay active and healthy.
